### Massage Therapy:

Swedish 60 min. - \$80 / 90 min. - \$110 / 2 hrs. - \$180

A soothing massage that uses long, connecting strokes to calm the mind and body, while releasing areas of tension and stress. A wonderful treatment for anyone who is new to massage or for those who enjoy a lighter touch.

Deep Tissue 60 min. - \$90 / 90 min. - \$120 / 2 hrs. - \$200

Best for giving attention to certain painful, stiff “trouble spots/trigger points”, deep tissue massages consist of deliberate strokes and direct pressure that focuses on layers of muscles, tendons, or other tissues deep under your skin.

Hot Stone 60 min. - \$90 / 90 min. - \$120 / 2 hrs. - \$200

Heated, smooth, river rocks are used to expertly massage the body, increasing circulation, easing tension and inducing total relaxation.

Prenatal 60 min. - \$80 / 90 min. - \$110

A soothing full-body massage for the mother-to-be specifically addressing pregnancy discomforts, aiding in relaxation, benefiting circulation and providing overall comfort during this time of change. \*Must be 12 weeks or more.

Lymphatic Massage 50 min. - \$75 / Set of five - \$337

Lymphatic drainage massage is a gentle massage that can reduce swelling and improve circulation throughout the lymphatic system.

### Cupping:

Cupping uses suction to tug the skin, tissues, and muscles upwards, pulling stagnation out of the tissues bringing it to the skin level. The pores expand discharging some of the wastes and toxins, the rest is then more accessible to the body’s circulatory and lymphatic system.

Massage Cupping 60 min. - \$90 / 90 min. - \$120

Fire Cupping 60 min. - \$95 / 90 min. - \$125

### Eyelash Extensions:

The classic application is the art of skillfully applying one single synthetic eyelash extension to one isolated natural lash. Classic lashes result in a very natural look that is great for everyday wear.

Classic full set: \$180 / Fill in: \$75 flat rate
